☐ Create an Account!

☐ Back ↩

- Login interface of the budgeting app
- Requires email and password or the option to create a new account

DASHBOARD

Budget

• Daily spend limit: _____

• Spent: _____

• more details...

Goals

• Save up for car

• Pay off student loans

• see more...

Payments / Purchases

• Coffee: \$3.50

• Sandwich: \$5.30

☐ Edit...

☐ Back ↩

- Main home interface displaying a broad overview of app's features including budget, goals, and payments.
- Allows user to see more details of a particular feature.

Payments/Purchases

Name: Coffee

Price: \$3.50

Category: Needs ☒

Fun ☐ Bills ☐

ADD!

Back ↩

Adding a payment/purchase to the daily spending list, allowing the user to input the name of the item or payment, price, and type of purchase.

Overview: Payments/Purchases Today

Needs:

- Coffee: \$3.50 🗑️
- Gas: \$20.00 🗑️

Fun:

- Arcade game: \$12.00 🗑️

Bills:

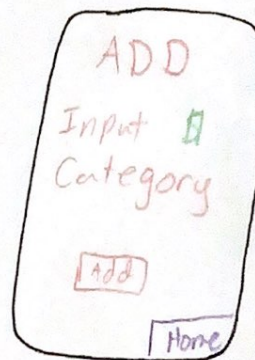

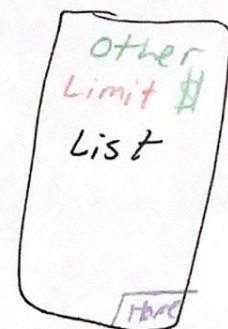

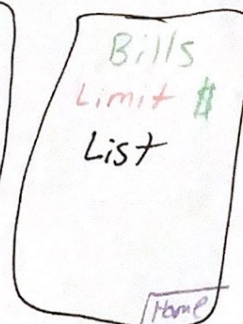

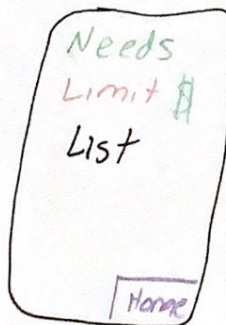

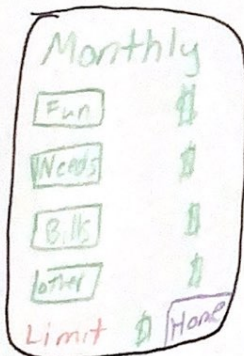

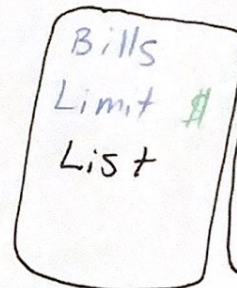

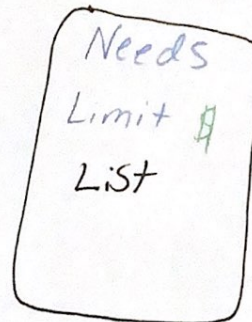

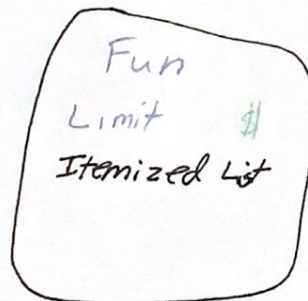

- Internet: \$60.00 🗑️

Total: \$95.50 ↑ **ADD!**

Limit: \$800 🗑️ Back ↩

- When the user taps on Payments/Purchases from home interface, they are shown an overview of their daily expenses as well as the total and if they have reached their daily spending limit.
- Overspending is denoted by ↑ and spending less than or equal to the limit is denoted by ↓
- Additionally, the user may add an item using the Add! button or delete the item by tapping on 🗑️
